

Joey Learns French

Phoebe: Just repeat after me....

Let's try it again.

Huh. It's not quite what I'm saying.

Joey: Really? Sounds exactly the same to me.

Phoebe: It does? Really? Alright, let's just try it again. Really listen!

Joey: Got it.

Phoebe: Ok maybe if we just break it down. Let's just try it one syllable at a time. Repeat after me.

Phoebe: It's too hard, I can't teach you.

Joey: What are you doing?

Phoebe: I have to go before I put your head through a wall.

Joey: Don't go! I need you! My audition is tomorrow!

Phoebe: Hey Joey, listen I feel really badly about yesterday. I've thought about it a lot and I was too impatient. Let's try it again.

Joey: Oh no that's ok. I worked on it myself and I must say I'm pretty good.

Phoebe: Really? Can I hear some of it?

Joey: Sure, sure.

See?

Phoebe: Again...you're not speaking French!

Joey: Oh I think I am and I think I'm definitely going to get the part!

Phoebe: How could you possibly think that?

Joey: For one thing the guy on the tape said I was doing a good job!
